

GET VACCINATED!

Why Johnson & Johnson?

Benefits of the J&J
single-dose vaccine:

It's convenient!

The J&J vaccine is a one-dose vaccine--no need to schedule a second-dose follow up!

It's quick!

Since the J&J vaccine is only one dose, you are protected sooner-- 2 weeks after you are vaccinated!

It's safe!

The J&J vaccine has been approved by the FDA and is included in CDC guidance to be able to ease restrictions once vaccinated!
